1 TICK REMOVER
The Original TickKey is a durable anodized aluminum tool designed to remove ticks from people or pets quickly and with ease. The device uses natural forward leverage to remove the entire tick safely and without touching it. Because there is no pinching, pulling, or prodding, people and pets are able to remain comfortable during the process. The device works on all sizes and types of ticks. It can be attached to a key ring for easy access at any time. Price is \$9.99.

2 STEP TREADS
Designed for durability, SeaDek's RV Step Treads provide traction to reduce the risk of slips and falls. The RV Step Treads are easy to clean and resistant to UV rays, water, and heat. You don't need tools or hardware to install them, since the adhesive backing attaches the Step Treads to metal and most composite surfaces. The exterior texture repels dirt and grime and prevents stains, helping to keep your RV entryway clean. The Step Treads come in three design styles: tetrapod, embossed, and teak. Color options vary by design type. Prices start at \$29.99 for a 24-inch-by-8.5-inch Step Tread.

3 WATER BOTTLE SPRAY LID
Have you ever wanted to have hot or cold pressurized water on the go? Lunatec's Hydration Spray Lid combines the functionality of a

shower, kitchen sink, garden hose, and water bottle into one easy-to-use device. You simply pump it up to build pressure; rotate the nozzle cap to select mist, stream, or shower; and hold the trigger to continuously spray. This lid fits wide-mouth vacuum-insulated stainless-steel bottles, including those from Lunatec, Hydroflask, Takeya, and Thermoflask. A high-flow-rate attachment and a high-pressure attachment are also available. Price is \$25.

4 ILLUMINATED DOG HARNESS
The Headlight Harness provides lighting for you, your pup, and your immediate surroundings. The harness is highly reflective, water resistant, and lightweight. The LED in the chest portion projects light up to 100 feet and illuminates the path ahead, making you and your dog visible. The Headlight Harness also keeps your pet secure in any vehicle; run the seatbelt through the sturdy handle on the back of the harness before buckling them in for a safe, calm ride to the park, vet, or anywhere your adventure might take you. Available in six colors and sizes from extra small to XXL; prices start at \$59.95.

5 AUTOMOTIVE ASSIST HANDLE
Able Life's Auto Assist Grab Bar is a 1-pound grip that can be inserted in vehicles with a U-shaped door striker latch. The Grab Bar is great for anyone who has limited mobility or needs additional support

when getting in or out of vehicles. By increasing leverage, it helps users to maintain balance when pushing up to a standing position. The Grab Bar can safely support up to 300 pounds and is designed for everyday use. It incorporates an ice scraper and hidden key compartment. Price is \$24.99.

6 WATERPROOF CASE
Are you planning a kayaking trip, hiking adventure, or another outdoor activity? Protect your small valuables with the Pelican M50 Micro Case. From smartphones to hand tools, items will be guarded against the elements. The case features IP67-rated protection to keep valuables away from water, dirt, and dust. The crushproof, polycarbonate storage container features dual latches and a padlock hole for security, as well as an O-ring seal for watertight protection. A removable no-slip liner keeps items in place. The case is available in all black and three clear/color combinations. Price is \$39.95.
